Reason for Allowance

1. Claims 1-6, 8 and 13-24 are allowed over prior art.
2. The following is an examiner's statement of reasons for allowance: Applicant has canceled previously rejected claims 7 and 9-12, and amended previously objected claims 8 and 13 to read as independent claims. As indicated in the previous office action claims 1-6 and 14-24 contain allowable subject matter.

Although combined prior art of Mankyan who teaches configuring server daemons in a multiple server and client network wherein the services are monitored and modified and Takeda who teaches communication between a plurality of servers and clients wherein the QoS is measured and monitored fails to teach or suggest operating a first server and second server to match quality of service on a first link with the QoS on the second link, operating an access server to map between air interface QoS information and packet-switched network QoS information, at least one QoS parameter being indicative of QoS for the packet switched network, and passing the at least one QoS parameter in a mobile IP vendor extension.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
